

ELECTRONIC SHOW DAILY BANNER ADVERTISING

2017

Become An Official ASI Show Advertiser!

Distributors love reading about ASI Show events and timely news coverage in the Electronic Show Daily. Featuring up-to-the-minute reporting of the hottest show happenings, the Electronic Show Daily is sent, via email, to over 10,000 distributors in a 90-mile radius of the Convention Center on each show day.

And, for only \$750, you can feature your company, products, show specials, ASI number and booth number in a prominently featured, full-color banner ad in the Daily. This can't-be-missed ad is a great way to keep your company name in front of distributors. To add extra excitement, your ad may be animated and include a link directly to your own homepage.
