# NEW! LITERATURE CAROUSEL

# 2017

Maximize your exposure at the *ASI Shows* by distributing your latest flyer or promotional advertisements in a high traffic location with the Rotating Literature Carousel. This carousel helps you increase your sales and exposure by getting your literature into attendees' hands before they even step on the show floor!

The three-sided carousel will be located in a highly visible area featuring 24 literature pockets and three kick panels. We will continuously restock your literature over the three days.
