NEW
Supplier Power Hour Raffle

2017

Drive more traffic to your booth by hosting a raffle at *ASI Show*! Having attending distributors come to your booth is a key component of any trade show and a raffle is an excellent way to have them stop by, enter, and generate leads for your sales pipeline!

New in 2017, *ASI Show* is offering a Supplier Power Hour Raffle which will give you exposure to all of the attending distributors at the show. When the distributor picks up their badge, they will be given a ticket to enter your raffle! We'll announce your raffle in the show daily, mobile alerts and in the pre-show email blast to create excitement around this event. Additionally, signage in registration will announce your booth number and the time that your raffle is being held!

Your package includes:

❙ A ticket for your raffle included in every distributor's badge

❙ Your full-color logo featured on the *ASI Show* Directory

❙ A highlighted listing in the *ASI Show* Directory and the *ASI Show* Mobile App with Power Hour Raffle (in the exhibitor listings section)

❙ Raffle announcements in preshow distributor emails and show daily emails to attendees

❙ Mobile app alert on the day of the Raffle

❙ Signage in registration

SUPPLIER POWER HOUR RAFFLE TICKET
