# NEW Distributor Networking Lunch: Meet the Expert

# 2017

As an event sponsor, you'll establish a noticeable presence at *ASI Show*. Distributor Networking Lunch: Meet The Expert is an excellent opportunity for you to generate leads, promote your reputation and corporate culture and create lasting profitable relationships with distributors who will recognize that you're an integral part of making the event possible.

On Education Day, July 11 at 1:00 p.m. you will have the opportunity to have lunch with distributors attending education sessions. These distributors are interested in learning more, furthering their knowledge about the industry and meeting with experts like you. The expert will rotate from table to table in 8 minute time frames meeting attending distributors. You can hand out products and samples, share your knowledge and experiences to this new group of distributors and have them meet you even before hitting the show floor. You will be introduced by the host of the session and can welcome distributors as they enter the room and mix and mingle with them at the end of the session.

Share your expertise.... seating is limited so become a sponsor today!
