POST-SHOW OUTREACH EMAIL TO BOOTH VISITORS

2018

Be a part of the reminder email sent to distributors who visited you at the show!

What better way to have your company in front of distributors post event than a reminder email. In the past, this opportunity was only offered to exhibitors who used our registration vendor, but we are now extending it to exhibitors that have their own scanners!* After each show, an email is sent out to all the distributors with the contact information of the exhibitors that scanned their badge. This email is a good reference for the attendee and a way to keep your company top-of-mind even after the show has ended.

***Must submit your show scans for data conversion to RCS within one week after the show to be included in this offer.**

Don't delay — be a part of this post-show communication!

- YES, I want my company included in the post-show outreach email to distributors that visited my booth at ASI Show® Chicago!**
