FASHION ZONE

2019

Bring your company's newest apparel to life.

The Fashion Zone is an exclusive area on the show floor where your newest collection will come to life.

The Fashion Zone will be strategically located to optimize floor traffic, giving you a unique opportunity to dress a mannequin in your newest styles and educate attendees about the hottest trends. What better way to have additional exposure OUTSIDE of your booth, giving attendees both the chance to touch, feel and see your designs in action and a great reason to visit your company's booth on the show floor.
