

# WE DO THINGS A LITTLE DIFFERENTLY HERE

RATHER THAN PICKING LEATHERS THAT ARE PERFECTLY POLISHED AND HIGHLY TREATED, WE USE NATURAL, TOP-GRAIN LEATHER LEFT JUST RAW ENOUGH FOR YOU TO LEAVE YOUR MARK. SINCE DAY ONE, WE FELL IN LOVE WITH NATURAL LEATHER IN ITS ROUGH STATE. WE DESIGN OUR LEATHER TO EMBRACE THE MARKINGS ON A HIDE — WHICH SOME MISTAKE AS BLEMISHES OR IMPERFECTIONS. THERE IS SOMETHING SPECIAL ABOUT THE AUTHENTIC, DISTRESSED LOOK THAT WE SIMPLY CAN'T GET ENOUGH OF. IT MAKES EACH PRODUCT WE CRAFT BOTH DURABLE AND ONE-OF-A-KIND.

## STRETCH MARKS:

THESE MARKS FORM A SUBTLE, PATTERNED TESTIMONY OF A HEALTHY COW AND ARE A MAINSTAY OF GENUINE TOP GRAIN LEATHER.

## SCARS & SCRATCHES:

GRAZING UP AGAINST BARBED WIRE DEFINITELY LEAVES A MARK. THESE SCRATCHES ARE TYPICALLY VERY SMALL AND APPEAR AS SUBTLE LINES THAT ARE SLIGHTLY DARKER THAN THE SURROUNDING AREA.

## COLOR VARIANCE:

SOME COLOR VARIATION BETWEEN HIDES IS COMMON AND IS A NATURAL RESULT OF THE TANNING PROCESS. THIS MAKES EACH PIECE UNIQUE WHILE STILL PRESERVING THE TONE AND HUE OF YOUR CHOSEN COLOR.

## INSECT BITES:

THESE TINY DOTS ARE A RARE ACCOUNT OF A PARTICULARLY DETERMINED BUG.

## WRINKLES & VEINS:

THESE ARE A NATURAL PART OF ANY TOP GRAIN LEATHER. THEY APPEAR AS PART OF THE TEXTURE OF THE PIECE AND SHOULD NOT BE CONFUSED WITH FAULTS OR BLEMISHES.
