A scaled floor plan is required for orders with multiple outlet locations and/or island booths. Detailed examples are provided on the following page. #### INLINE AND PENINSULA BOOTHS

Power will be placed in the back of the booth unless otherwise specified.

#### 24 HOUR SERVICES

If an uninterrupted power supply is required for the full duration of the show, please order 24 hour power. Electricity is turned on 30 minutes prior to show opening and turned off 30 minutes after show closes on show days. Power will be turned off immediately after final show closing. If you require power outside actual show hours, special arrangements should be made in advance. Additional charges may apply.

#### SEPARATE OUTLETS

Separate outlets should be ordered for each piece of equipment and/or each power location.

#### CANCELLATION

A 50% refund will be applied to electrical services cancelled after installation. Refunds will not be issued for materials and/or labor charges related to the installation.

#### OVERHEAD POWER

If you require your power from overhead, additional materials and labor may be incurred. Please contact Freeman by email at [chicagoelectrical@freeman.com](mailto:chicagoelectrical@freeman.com).
