We are working hard to make sure that safety precautions are in place for your health and wellness. We need your cooperation to carry out these plans through the event. Be mindful of our safety pillars:

- Face coverings: You are encouraged but not required to wear your mask throughout Orange County Convention Center.
- Monitor your health: Please do not come to the event if you have a fever, sore throat, lost your sense of smell or taste, or showing any signs or symptoms of COVID-19.
- Hygiene: Please be sure to bring your own hand sanitizer and disinfectant wipes for your booth. Make sure you wipe down high touch surfaces and products during the days and sanitize your hands with products containing at least 60% alcohol. We will have hand sanitizing stations throughout the exhibit hall for all attendees.
- Social Distancing: While we are so excited to see you in person, remember to keep 6' of distance from other attendees and event guests. Please refrain from handshaking and hugging. Be mindful of floor decals and one-way aisles, one-way entrances and one way exits.

If any of the ASI Show team can assist you in preparing for this event, please feel free to e-mail us at asishow@asicentral.com or call me directly at 215-953-3582. We want this to be a fantastic event for you and are committed to doing whatever it takes to get back to business and help you achieve your goals. We look forward to welcoming you in Orlando!

Sincerely
